Appl. No. 10/600,875

Interview Summary dated Jun. 14, 2006

Reply to Corrected Advisory Action and Examiner Interview Summary mailed 5/18/06

### Interview Summary

A telephone interview was conducted on May 15, 2006 between Dang T. Nguyen (hereinafter 'Examiner'), SPE Richard Elms and the undersigned, J. Michael Johnson, Agent for Applicant. During the telephone interview, an Advisory Action mailed April 21, 2006 was discussed. Specifically, Mr. Johnson objected to the Examiner's handling of new Claims 26 and 27 presented in an after final Response/Amendment filed March 31, 2006 (hereinafter 'Amendment After Final'). The Examiner had checked item "7(b)" indicating the amendments presented in the Amendment After Final would be entered only for the purposes of appeal. The Examiner provided no explanation of how the new claims would be rejected and further provided no status for the new claims.

Mr. Johnson pointed out that new Claims 26 and 27 represent originally filed Claims 9 and 10 rewritten in independent form including all of the limitations of base Claim 6 and intervening Claim 8. The Examiner had previously indicated in a Final Office Action mailed February 21, 2006 that Claims 9 and 10 would be allowable if rewritten in such an independent form. As such, Mr. Johnson submitted that the new Claims 26 and 27 should have been entered and allowed by the Examiner. Furthermore, the Examiner should have at least indicated under item "7(b)" that Claims 26 and 27 were allowed and probably should have checked item "6" of the Advisory Action form in addition to item "7(b)".

The Examiner and SPE Elms agreed that Claims 26 and 27 should have been allowed. The Examiner, under direction of SPE Elms, further agreed to issue a corrected Advisory Action that correctly indicated the entry and allowance of new Claims 26 and 27. Mr. Johnson stated that Applicant would submit a Notice of Appeal prior to receipt of the corrected Advisory Action and without reference to Claims 26 and 27 therein, in reliance on the agreement made in the Interview.

### Remarks

A corrected Advisory Action was mailed 5/18/06 that updated and corrected items "6" and "7(b)" to show entry and allowance of new Claims 26 and 27. Mr. Johnson thanks the Examiner for the corrected Advisory Action. However, the corrected Advisory Action incorrectly indicates that Applicant's previous Reply (i.e.,

Appl. No. 10/600,875

Interview Summary dated Jun. 14, 2006

Reply to Corrected Advisory Action and Examiner Interview Summary mailed 5/18/06

the After Final Amendment) was filed "on 4/4/06" when in fact, the After Final Amendment was filed March 31, 2006, as indicated above. Moreover, the corrected Advisory Action incorrectly indicates that the Examiner's previous Advisory Action was "sent on 4/4/06" when in fact, the previous Advisory Action was mailed 04/21/2006. The Examiner's Interview Summary that accompanied the corrected Advisory Action is essentially correct, but for not including SPE Elms as a participant.

Should the Examiner have any questions regarding the above, please contact the undersigned, J. Michael Johnson, Agent for Applicant, at telephone number (775) 849-3085.

Respectfully submitted,

BLAINE STACKHOUSE ET AL.
